

## RESTOCK CASAS TEST FORMS

It is time to restock your CASAS testing forms and answer sheets. We use the **Employability Competency System (ECS)**. If you have any of the Life and Work Series, please destroy these.

Please do an inventory of all CASAS booklets and fill in your amounts below.

**Put in the number of booklets you have on hand. Reminder: Do students not to write in these booklets. Use only the official booklets. Remind students to not write in these booklets as they are used over and over.**
