FACE Center-Based

Preschool

Early childhood education involves children in active learning in a developmentally appropriate preschool environment.

Offered 4 days/week, minimum 3.5 hours/day

Adult Education

Instruction addresses the academic needs of parents as well as their employability skills and personal goals.

Offered 4 days/week, minimum 2.5 hours/day

PACT Time

Parents actively interact with their child(ren) to increase their awareness of how their child(ren) learn through play.

Offered 4 days/week, minimum 1 hour/day

Parent Time

Provides a structured opportunity for parents to learn about their child(ren)'s literacy development and to address critical family issues in a supportive environment.

Offered 4 days/week, minimum 1 hour/day
